

HS Cylinder Upgrade

Upgrade

Upgrade Available

Applicable to all Marquip Cuto knives with standard cylinder installed.

Upgrade Details

MarquipWardUnited offers a high-performance HS Cylinder upgrade. Available widths of 2.2 m (87"), 2.5 m (98") and 2.8 m (110")

Upgrade Benefits

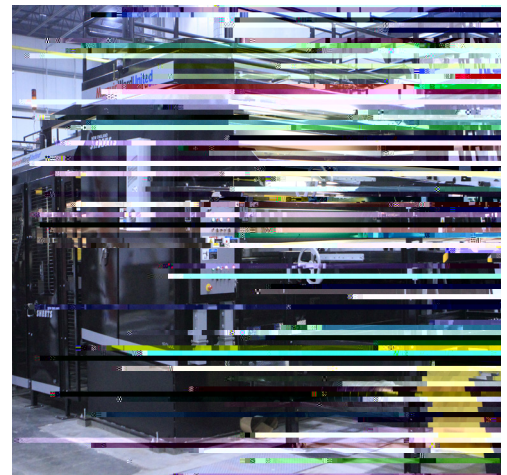

- The new HS Cylinder design increases cylinder stiffness and significantly decreases cylinder vibrations
- Improves cut quality at higher production speeds
- Reduces blade tuning frequency by at least a factor of two
- Increases blade life by 150%

Upgrade Includes

- New High Speed (HS) cylinders
- New knife blades
- New cylinder holder frame assembly
- New motor pinions
- Installation instructions, and print updates

ROI

- Reduced Tune Life
- Longer Life for the Knife Blades

CAUTION: Before working on machine, perform lock-out procedure per Manual Operation Section.
